

R-30 Retail Scale

PART #	MODEL	CAPACITY
46349	... R-30 w/plastic platform	*30 lb/15 kg
46350	... R-30 w/stainless steel platform	*30 lb/15 kg

* Lb mode NTEP certified, kg mode Measurement Canada pending

The R-30 retail scale is the ultimate choice for simple price-computing applications. Delivering unmatched convenience and accuracy, the R-30 provides one-button operation while displaying weight to 1/100th of a pound.

For extra convenience, the R-30 features two LCD displays, one in front for the operator and the other in back for the customer. Additionally, it has a large 12" x 8 1/2" platter for easy and efficient weighing. What's more, the R-30 incorporates an accumulator for totaling the day's receipts.

The R-30 is NTEP certified and operates on either battery or AC. It is available in a 30-lb/15 kg capacity and has an optional stainless steel platform.

Applications

- Point-of-sale weighing and price-computing

Standard Features

- NTEP certified, Legal-For-Trade (in lb mode only)
- Customer display on rear of unit
- Operates on 12 VDC adapter or 6 "D" size alkaline batteries
