

WEIGH-TRONIX

Weigh-Tronix remote displays allow reading weight at considerable distances, indoors and outdoors. They can be placed at supervisory stations, outside a scale house, or in a sale barn – anywhere a scale reading must be visible from a distance.

RD-4000/6000 Remote Display

RD-4000/6000 Remote Display

The displays have large, easy-to-read numbers and a minus sign.
The individual SIGNALEX display units are known for dependability
in outdoor sign and scoreboard applications worldwide.

Feature and benefits

- Large, easy-to-read numbers
 - RD-4000 - 4-inch high numbers
 - RD-6000 - 6-inch high numbers
- Fluorescent illumination of large yellow numbers
- Visible up to 160 feet for the RD-4000 and up to 240 feet for the RD-6000
- Can be mounted on ceiling, wall, floor or counter surface
- Mounting brackets allow easy tilt adjustment for best viewing angle.
- All Weigh-Tronix remote displays carry a two-year warranty.
